Gift4Giving®

Share your passion for charitable giving with a Gift4Giving® eGift. It lets your employees, friends and family recommend a gift to a charity or charities of their choice using your Giving Account®. It’s the perfect gift for any occasion and helps you inspire others to make a difference.

How it works

1. Log in to your Giving Account and select Give a Gift4Giving from the Grant drop-down menu.

2. Enter the recipient’s email address and a personal message, then choose the Gift4Giving amount and investment pools from which the funds should be drawn.

3. Review and submit your request.

4. The recipient receives their Gift4Giving email and follows the directions to redeem it.
