

Charitable DonorFlex ProgramSM Overview

The Charitable DonorFlex ProgramSM ("DonorFlex") at Fidelity Charitable[®] allows donors to recommend specific investments with respect to the assets in their Giving Account[®].

DonorFlex provides for flexibility in investment allocation beyond the Fidelity Charitable[®] investment pools. Donors with a Giving Account[®] enrolled in DonorFlex may recommend investments in liquid, publicly traded mutual funds and exchange-traded funds (ETFs) free of significant purchase and redemption fees; U.S. Treasury bonds; and certain approved alternative investments. All investment recommendations are subject to Fidelity Charitable approval.

Participation in DonorFlex requires a minimum \$5 million initial allocation to the program.

DonorFlex trades are placed by Fidelity Charitable.
