

Healthcare for the Poor

THE PROBLEM

In the poorest countries of the world, people are dying from preventable causes. Mulago's health organizations save lives by bringing high-quality, cost-effective health care to the poor in Africa and Asia.

THE CURATOR

The Mulago Foundation, founded in 1993, funds organizations addressing a basic need of the very poor. Obsessed with impact, Mulago gives money to organizations that have a scalable solution and a team that can deliver. They look for lasting impact, cost-effectiveness, and strong growth potential.

ORGANIZATIONS CHOSEN BY THE MULAGO FOUNDATION

Healthcare for the Poor

Make a donation to one or all of the organizations below to save lives in Africa and Asia.

LAST MILE HEALTH

LAST MILE HEALTH

Last Mile Health transforms community health workers into paid health professionals, bringing quality primary health care to remote Liberian communities.

EIN: 26-1401736

MOTHERS2MOTHERS

mothers2mothers employs “Mentor Mothers” – HIV+ moms—to teach other mothers and their families how to ensure that their babies arrive into the world free of HIV—and stay that way.

EIN: 30-0545760

ONE HEART WORLDWIDE

One Heart Worldwide upgrades government childbirth centers in Nepal and ensures moms, community workers, midwives and nurses have the training and tools they need to assure quality prenatal care and a safe birth.

EIN: 20-0443243

LIVING GOODS

Living Goods creates an Avon Lady-like network of women going door-to-door selling health products, providing health education and making clinic referrals—they’ve reduced child mortality by 27% in East African communities where they work.

EIN: 20-5010527

MUSO

Muso deploys community health workers to proactively look for patients and get them to care immediately. A recent study documented a 10x difference in child mortality in communities where they work in Mali.

EIN: 20-3171837

STRONGMINDS

StrongMinds combats depression—the number one cause of disability in the world—in Uganda through a proven group therapy model that can be delivered inexpensively through trained lay people and without medication.

EIN: 46-2090059
