

Conservation

THE PROBLEM

Protecting and restoring the natural world is of critical importance to the survival of the human species, be it through air and water quality, habitat conservation, or sustainable energy practices. The organizations on this list focus on efficient, effective, and solutions-based approaches to sustainability.

THE CURATOR

Throughout his career, **Ted Turner** has received recognition for his entrepreneurial acumen, sharp business skills, leadership qualities, and his unprecedented philanthropy. A member of the Giving Pledge, he supports efforts for improving air and water quality, developing a sustainable energy future to protect our climate, safeguarding environmental health, maintaining wildlife habitat protection, and developing practices and policies to curb population growth rates.

ORGANIZATIONS CHOSEN BY TED TURNER

Conservation

Donate to the organizations below to safeguard environmental health and conserve our planet's resources.

CERES

Ceres is transforming the economy to build a sustainable future for people and the planet.

EIN: 22-3053747

THE CONSERVATION FUND

THE CONSERVATION FUND

Conservation should work for all Americans. That's why we create solutions that make environmental AND economic sense. 96% of every gift goes directly into conservation.

EIN: 52-1388917

CAPTAIN PLANET FOUNDATION

For 25 years, CPF has invested in high-quality, solution-based programs that empower youth to collaboratively design and implement solutions to environmental problems in their schools and communities.

EIN: 58-1959421
